

# Thank You, Peter & Bill – Supporting Our Community with Care

We'd like to extend a warm and heartfelt thank you to two amazing individuals who generously volunteer their time and talents to support the residents of Brookdale Lisle, Peter from Progressive Eyewear and Bill from Mark Drug Medical Supply.

Peter, Optical Manager at Progressive Eyewear, visits our community every Monday afternoon to provide expert help with glasses. Whether it's a quick repair, cleaning, adjustment, or even placing an order for new eyewear (with a current prescription), Peter is here to assist with kindness and professionalism. His friendly presence and dedication have made him a favorite among residents. If your glasses need a little extra TLC, don't hesitate to visit Peter in the Atrium. His scheduled time is listed each week on your Weekly Activity Sheet.

Bill from Mark Drug Medical Supply is also a wonderful resource, offering walker and wheelchair repairs right here at our community. Bill helps with adjustments, wheel replacements, and also brings helpful accessories like bags and cup holders for purchase. Residents even have the opportunity to try out new walkers! Bill's next visit will be Wednesday, August 6th from 1:00–3:00 PM in the Activity Room. Please see Corrine when you arrive to receive a number and Bill will let you know when it's your turn.

We are so grateful to Peter and Bill for their ongoing support and generosity. Their visits bring not only practical assistance, but also comfort, connection, and care!
